

A major multinational trading company in the aluminium sector is seeking an experienced industry professional as

## **Director Sales Europe/Senior Trader**

to join its European sales organisation. The company, based in Switzerland, is building its commercial organization to improve the effectiveness of its sales activities with particular focus on the end consuming segments. The candidate will be a seasoned commercial leader, experienced in the aluminium sector and with demonstrated abilities to develop high value relationships

in the major European markets. Knowledge of the automotive, extrusion and rolled products businesses would be viewed favorably.

Your application will be handled strictly confidentially. Please apply online or contact our consultant Gerda Staeger via +41 41 727 71 07 if you would like to have more information on this.
